

## **Aims and Objectives**

- 1. Campaign against any GDF in Cumbria on geological, environmental and safety grounds.**
- 2. Campaign against DECC's proposed exclusion of Cumbria County Council and all other County Councils from the process and exclusion of Parish and Town Councils.**
- 3. Respond to the current DECC consultation and do so on an ongoing basis concerning MRWS process; and encourage others to do the same.**
- 4. Campaign for safer, longer term storage of nuclear waste currently at Sellafield and other UK nuclear licensed sites. \***
- 5. As part of ongoing Sellafield decommissioning; campaign for greater spend and investment in West Cumbria as part of this process and also diversification of local economy.**
- 6. Campaign to preserve the integrity of our National Park, AONBs and other environmentally sensitive sites and also "Lake District" brand.**
- 7. If needs be to challenge legally the policy outcomes and decisions of DECC and local authorities.**
